at least 2 drives from each team member.

4. This procedure is followed on every shot for the remainder of the hole, including putts. The ball should be marked on the putting green.
5. Putts need to be placed within 3 inches of the marked spot (no closer to the hole). The first ball to go in the hole is counted for the team score.
6. You may lift, clean and place your ball within one club length on the selected shot; however, you may not move your ball out of a hazard (including bunkers), out of the rough, from the fairway or rough to the apron or from the apron to the green.
7. Please turn scorecards in to the Tournament Director. Prizes will be given at the end of the tournament.

GOLF ETIQUETTE:

1. Please rake all marks made in sand bunkers. Please leave the rakes in the bunkers.
2. Leave the putting green as soon as you have holed out.
3. Do not play until the players in front of you are out of range.
4. Please observe all local course rules.
5. Enjoy the day!

CONTESTS:

Closest to the Pin: If your tee shot is on the green and closest to the Pin/Hole, write your name on the marker card and place the marker in the ground on the spot where your ball came to rest. Once the marker has been placed in the ground, it should stay there until someone else hits a closer shot. Use the flagstick as a measuring rod if it is a close call. Then, that person should repeat the procedure of writing their name on the card below the other name(s) and place the marker at the spot.

Longest/Straightest Drive: If your drive is in the fairway and the longest or the straightest (closest to the string) write your name on the marker card and place the marker in the ground on the spot where your ball lays. Once the marker has been placed in the ground, it should stay there until someone else makes a longer drive. Then, that person should repeat the procedure of writing their name on the card below the other name(s) and place the marker at the spot.

Thank you to our Golf Committee for their work to change the course of students lives.
