**Authorization Form
WALKING/FIELD TRIP**

Dear Parents:

Occasionally, as a class or small group, we will take a “spur of the moment” nature walk, or visit another classroom on campus.

I, _____ give Sacramento Adventist Academy Preschool permission to take my child, _____, on short walking trips during the school year. I understand that in the event of a small accident, teachers will administer first aid to my child, if necessary. Trips that require any other mode of transportation will require my further approval, and will be evidenced by another field trip authorization form.
