Tuition Subsidy Notes

Sacramento Adventist Academy is partially maintained through subsidies from supporting churches within the Northern California Conference of Seventh-day Adventists and Adventist Health (Corporate Office in Roseville). Therefore, members of those supporting Seventh-day Adventist churches and employees of Adventist Health (Corporate Office in Roseville) are offered a subsidized tuition rate. To qualify for subsidized tuition rates, the parent or legal guardian must be a member of a supporting church or an employee of a supporting organization.

*International Students

Full year tuition payments are required prior to the start of classes. Pre-payment discounts are not available.

Tuition Management

All families are enrolled in Blackbaud Tuition Management and must maintain a family account for tuition and incidental billing. A \$50 fee is required to establish the service each school year, it will be added to your account and is collected with the first tuition payment. ACH direct debit or credit card payments can be made through the Tuition Management account. Cash and checks are accepted in the business office. Invoices will be emailed to you monthly from customerservice@blackbaud.school.

Unpaid Accounts

A monthly \$40 late fee may be charged to each account if payment is received more than two weeks after the due date. If payment is delinquent after 30 days, written arrangements must be made with administration, or the student may be asked to withdraw from school.
